

# WELCOME TO REV. PATRICK WHALEY AND VASYLYNA BABYCH

**Rev. Patrick Whaley**, a long time missionary and an Ordained Deacon who has served in Russia and Eurasia, and is now serving in Ukraine/Moldova Provisional Conference, will bring the message to our church today.

Patrick is the director of SASHA ministry which exists to mentor pastors and laity to serve a Risen Savior through teaching, preaching, training and curriculum development. Patrick has been with us before, and we welcome him again to hear his greetings from Ukraine. Patrick's home is Memphis when not serving overseas. He was a long-time minister in the Memphis Conference. Patrick's work is a wonderful example of the United Methodist Connection throughout the world.

**Vasylyna Babych**, who has been called by God to serve as

Youth Leader for Kamenitsa and all of Ukraine, also joins us today. She represents Ukraine and Moldova at the Eurasian Executive Committees. She is on the Board of United Methodist Seminary in Moscow and serves as a delegate representing Ukraine and Moldova in Central European Conference. She is a very committed Christian who has turned down excellent job opportunities so she can be a volunteer in her church and make a difference in the lives of people!!
