

Please take time during the worship service today to reflect upon sermons from the last three weeks and today's sermon, which have all dealt with the book of Jonah. Sermon themes were:

- Deciding to Follow - Jonah 1
- Deciding to Repent - Jonah 2
- Deciding to Obey - Jonah 3
- Deciding to Accept - Jonah 4

After the sermon concludes today, you will be provided some time for reflection about the issues raised in these sermons and how they may impact your Christian journey. Please consider these questions:

1. Which part of Jonah's struggle resonates most deeply with you and why? \_\_\_\_\_

2. What aspect of Jonah challenges you most in your faith journey – disobedience to God's will, lack of humility and repentance, listening and discerning God's will, struggling to accept things that are difficult? Perhaps something else? \_\_\_\_\_

3. How do you make sense of the fact that Jonah never accepts God offering mercy to the Ninevites? What struggles have you had with God's will which are still difficult for you to accept? \_\_\_\_\_

4. Was this series helpful to you in examining God's call on your life and how you may choose to respond? If so, in what ways? \_\_\_\_\_
