Is there another place of service within the church in which you would like to participate or contribute?

If a ministry is new to you, you will be contacted about your next step in participating in the ministries you have chosen.

When we become followers of Christ, each of us is called to ministry as a part of Christ's body in the world. Each of us is uniquely gifted by God to serve in some way. Each year at this time, we renew our commitments to the ministries of the church. Enclosed with your bulletin is a Ministry Opportunities brochure. It is your invitation to commit yourself to Christ's work through the church. Please pray about your place of service in 2015.

Please bring your brochure on Sunday, February 22 when we will all have the chance to make our commitments together in worship or return it to the church office.
