### 2017 Confirmation Class Creed

*We believe God is our Sovereign father,  
indescribable creator who is the breath we  
breathe and whose grace never ends.*

*We believe Jesus is the holy,  
perfect Lamb of God who saves us  
from our sin and teaches us how to live.*

*We believe the Holy Spirit is the everlasting  
Spirit of God and our conscience that lives  
within us and instructs us.*

*We believe the Bible is messages  
from God that guides our lives  
and teaches us the truth of history.*

*We believe the Church is God's house of worship  
where we, as a community of believers, learn  
about God and are equipped to be His disciples.*

*Therefore, we are called to become lights to the  
world by following God and teaching others to  
worship God, to live out our faith in a holy and  
consistent way, and to love one another as  
brothers and sisters in Christ.*
