## Wednesday Evening Programs Beginning August 23<sup>rd</sup>

**Children** - An exciting adventure through the Bible, connecting children 3 years old through 5<sup>th</sup> grade with their Creator. Through interactive lessons, children will walk through Exodus, journey with Jesus like never before and grow closer to God by learning who He is.

**Youth** - "Every teenager asks the question "Who Am I?" Students often look for their identity in their activities, their grades, their friends, or their relationships....and *all* those places will leave them unsatisfied. The book of Ephesians reminds us that our identity is found in Christ. This program is for 6<sup>th</sup>-12<sup>th</sup> grade youth.

**Adults** - Conspiracy theories, mental illness, love stories, with a little violence thrown in....Sounds like a made for TV movie—right? During this study of the books of Samuel, discover the stories of human struggle, the “messiness” of life and God’s persistent love.
