

Summer Internship for College Students!

summer camps

Interns serve in teams to provide an 8-week summer program for children and youth in low-income communities, offering literacy, art, wellness, and Bible activities.

intentional community

Interns live in intentional Christian community. Together, they grow in servant leadership through fellowship, worship, and Bible study, making life-long friends along the way.

ministry exploration

Interns explore how God is calling them to be in service to the world through weekly meetings with church and community leaders.
